

Audism

Aud = Audio

ism = Discrimination

Audism means deaf people have been denied various rights such as owning property, having children, hiring a job, or driving a car.

Dawn K. Watts starts working on a new movie project titled, "Stop Audism" for Ohio Association for the Deaf. The movie may show this coming summer. OAD will sell it. I would like to collect different deaf adult, teenagers, and deaf children in the statewide of Ohio by interviewing. After I interview with deaf people, David Simmons of Washington, DC and I will work and edit on DVD movie, "Stop Audism"

If you are interested in doing an interview with me about your experience with Audism in the hearing world, your childhood in school or in your hearing family.
