## Introduction of OAD Conference

The Ohio Association of the Deaf, Inc. (OAD) is proud to announce the 50th Anniversary celebration of its founding. Our OAD history is treasured by Deaf people around Ohio and the progress OAD has made since 1961. We are inviting past leaders and officers to share their stories and memories during their term in office. This exciting celebration will guide us to build stronger partnership with other organizations that will work with the Deaf. Our conference will include the seminars, exhibition booths, opening reception, a banquet and awards presentation. There will be a slideshow featuring the history of our leaders, and Cecil Bradley, past president of the OAD, had gathered the information for the slide show during the conference. An election of new officers, new including regional representatives and door prizes will be held also. A special gift will be given to members who have been with us since the beginning in 1960, or even before! Please come and join us for the celebration during our special weekend, and to meet new friends and visit with old friends also.

The youth leadership workshop at the OAD conference will have youth leaders assisting young trainees to learn new concepts on how to run meetings and manage a large organization such as OAD. They will take part in activities to understand roles/responsibilities of all positions that they may be interested in taking part when they are ready to become tomorrow's leaders. They will learn parliamentary process such as: making a motion, discuss issues with OAD members before voting.
